

FPC HOPE CENTER

Mentorship Program

Would you like to have a confidential mentor to help you with life's road ahead?

If the answer is yes or maybe, then check out the Hope Center's Mentoring Program. We can provide you with a committed, caring adult who will empower you to make your own decisions for your future.

How can a mentor help?

- Become a supportive friend
- Tutor in subjects that may be difficult for you
- Help with Financial Aid Forms for College or other Post-High School Study
- Provide a safe and supporting space
- Connect you with a caring network of supports, services, and partners
- Establish a professional network of employers and job shadowing opportunities
- Become a confidential listener
- And much more...
